Picture tells the story

There'll be big doings in D'Hanis on Sunday, August 1, as this picture plainly reveals. They will have it all and anyone who misses it should regret it. Everyone is busy prepar-

ing for the big annual event and these three did their share by holding the sign. Keeping the sign right are left to right, Phillip Villarreal, David Zinsmeyer and August Rothe.

Holy Cross homecoming

Hungry visitors to eat 3,000 pounds of beef

D'HANIS--Hundreds of hungry visitors are expected here Sunday as Holy Cross Church celebrates another annual homecoming day.

Some 3,000 pounds of prime beef will be barbecued to go with other Alsatian-flavored side dishes to feed the throng that is expected to gather in the pecan-tree shaded grounds of St. Dominic Hall.

Serving will begin at 11:30 a. m. and will end at 2 p. m. All plates will cost \$1.50 each.

Besides the barbecue, the meal consists of potato salad, slaw, beans, pickles, onions, ice tea and coffee. A tamale sale will also be held in the afternoon.

The all-day affair will be capped by a dance in the hall Sunday night. Dale Keith and his Starlite Ramblers will provide the music.

Father Victor Schmidtzyński said visitors will find an ample amount of shade provided by the beautiful grove of pecan trees that surround the hall. Visitors may purchase lunches to go.

Also during the day, there will be games for the enjoyment of both children and adults.

Masses will be said at 7 a. m. and 10 a. m. in Holy Cross Church.

General chairman of this year's celebration is Edward Lutz. Meat preparation is in the hands of co-chairmen Matt Koch, Jr. and Chris Finger.

Change of plans

Officials of the Museum have told of a date change for the dedication.

The event will now be held on August 15, so that it will not conflict with the D'Hanis Church Homecoming.

Court lets bids

Bids were let Monday for two jobs at the Medina Courthouse, re-wiring of the entire Courthouse and extending and remodeling the District Clerk's office.

Medina Valley Appliance of Castroville submitted the low bid of \$7,476 on the re-wiring job. Other bids included: Hanson Electric of Devine, \$8,100; Cortez Electric of Hondo, \$9,385; and C&M Electric of Castroville, \$23,500.

Judge Jerome Decker said the job will take several months after it begins in early August.

Hondo Lumber Co. submitted the low bid on the remodeling and extension job. It ran \$3,200.

MAST pilots

plan program on August 4

The public is invited to a program to be held at St. John's Parish Hall on Wednesday, August 4, at 7:30. Two pilots from MAST out of Fort Sam Houston, will show film strips and give general information on the traffic accidents that MAST has participated in this past year. The program promises to be one that should interest everyone.

He will be seeking out businesses injured in this year's drought, according to Jim Reed, District Director of the San Antonio SBA office.

The administration has empowered the SBA to make 5-1/4% direct loans in amounts not to exceed \$100,000 for periods up to 30 years to businesses that have suffered from drought conditions.

Though the drought has been broken by a joint effort to Air Force cloud seeding and

nature, the business people in this area are still suffering from a lack of business due to the Spring drought. Farmers did not plant and many of the ranchers sold their cattle off at reduced prices, anticipating a continued drought situation. The effect of these protective measures on the part of farmers and ranchers is just being felt by the retail merchants in our rural communities. It is the Administrator's intention to help these business people through another difficult period, Reed said.

Eligible businesses may use the loan proceeds to replenish working capital and to pay financial obligations (except bank loans) which the borrower would have been able to meet had it not been for the loss of revenue from the adverse weather conditions in his area.

To qualify for a loan under the program, a business must be able to show a substantial loss resulting from the drought conditions. The business must have been in operation over 12 months and be able to provide financial records.

Farmers and stockmen are not eligible for disaster loans from SBA, but should apply instead to the Farmers Home Administration.

If time permits, SBA representatives will be glad to discuss any agency program with interested people during this visit, Reed said.

Teachers to be honored

Three Medina County teachers of agriculture will be honored in Dallas August 4 for having contributed a combined total of 80 years of service to the Vocational Agriculture Program of Texas.

They include: John E. McAnelly of Hondo, 30 years; B. C. McDonald of Natalia, 25 years; and Wayne V. Cheney of D'Hanis, 25 years.

Awards will be presented the three at the Awards Breakfast during the convention of the Vocational Agriculture Teachers Association of Texas.

McAnelly, who has taught at Hondo High School for 27 years, graduated from Yancey High School. He received his B.S. and M.E. degree from Texas A&M University, and taught three years in Gregory before coming to Hondo.

He holds two honorary degrees in the FFA, State Farmer Degree 1950 and American Farmer Degree 1966. During his tenure as a vocational agriculture teacher, McAnelly has produced 65 Lone Star Farmers and five American Farmers, the highest degree presented by the FFA to its members.

The Hondo teacher has been adviser to a Young Farmer Chapter for six years with a membership of 30 young farmers from the community. He is a member of the First Baptist Church, serving in the church as treasurer, trustee, Deacon and choir member. He has also been

active in school and civic (Hondo Lions Club for one) organizations.

McDonald has been at

Natalia High School for 19 years and taught at San Diego.

Dance, carnival interest growing

Have you bought your tickets to the big annual Carnival and Dance to be staged August 7 on the Courthouse Square by the Hondo Volunteer Fire Department?

They are selling at a brisk pace and Finance Chairman Reno Stanga and all firemen urge you not to put off buying them any longer.

Tickets are only a \$1.00 donation and they could be worth a lot more than that to the buyer.

Proceeds from the Carnival and Dance each year provides funds to help operate the Department in its outstanding efforts to protect Hondo and area residences and businesses from fire.

"This year we have an additional project which is making each fireman work harder," Stanga said. "We let a bid on a brand-new truck and will need all the money we can raise to pay for it."

The recent sausage supper sponsored by Hondo Firemen raised some money for the truck fund, but much more is needed. A good ticket sale and turnout at the Carnival and Dance will add to the fund to replace the old truck

bought in 1942.

Department President L. E. (Elmo) Pope says any and all contributions to the fund are also welcome.

Ramon Villa and his Hondo orchestra will provide the music for the ever-popular dance. And firemen, including those on the waiting list, will man the various food and entertainment booths which line the streets between the Courthouse and City Hall on the night of the event.

Mrs. Ilse given constable post

Mrs. George Ilse has been appointed Constable Precinct 1 to fill the unexpired term of her late husband. The term runs through 1972.

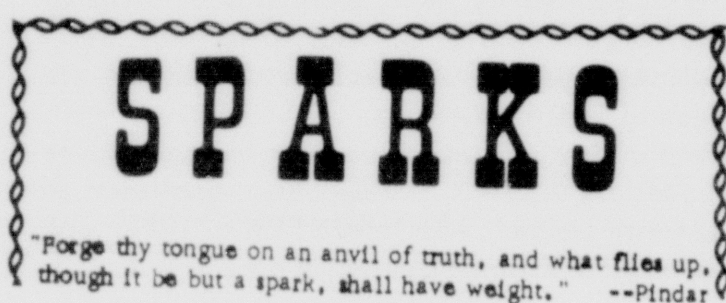

County Judge Jerome Decker announced the appointment Monday. He said the position requires no peace officer duties.

Jury wheel set

The first jury wheel in Medina County will be in operation immediately after August 15 when District Judge Dougherty watches its first turning.

The jury wheel eliminates the old Jury Commission and it will select a jury venire for county and district October cases.

Names of all registered voters between 21-65 will be placed on county list. A recent ruling by Attorney General Crawford Martin ruled out 18, 19 and 20 year olds being included in the wheel.

FRANKLIN SAID IT!

Each week as I put the Anvil Herald "to bed," I hope that if anything I say makes anyone mad it won't be more than 50 percent of the people. That way I have a 50-50 chance of getting them in a good humor the next week, thus never having more than half the population upset at any one time.

Although this is somewhat out of proportion, any editor does have to wonder how his words affect readers. But if he worries about it...

Well, a great writer worded it much more succinctly. Ben Franklin once said:

"If all printers were determined not to print anything till they were sure it would offend nobody, there would be very little printed."

IN A HIGHER COURT

I got caught in the wrong court last week.

Henry Schulte challenged me on my use of district court in the story on Joe Pitre filing a suit. "People will think he filed the case in district court in Hondo," Henry insisted.

He was correct. The case was filed (I guess it was despite the fact by Saturday no

Lights bake new signs

Signs marking the intersections of Hondo streets for a long time have had motorists grumbling about their hard-to-see condition, but now a new machine bought by the City is fast changing the frowns to smiles of approval.

This machine allows the City to make its own signs by baking special pre-printed material onto metal plates. Costing more than \$900 the machine will over the long haul allow the City to make all types of signs at excellent savings.

Street markers are the "signs of the time" right now, with their popular Owl blue and white translucent colors easily identifying streets day or night.

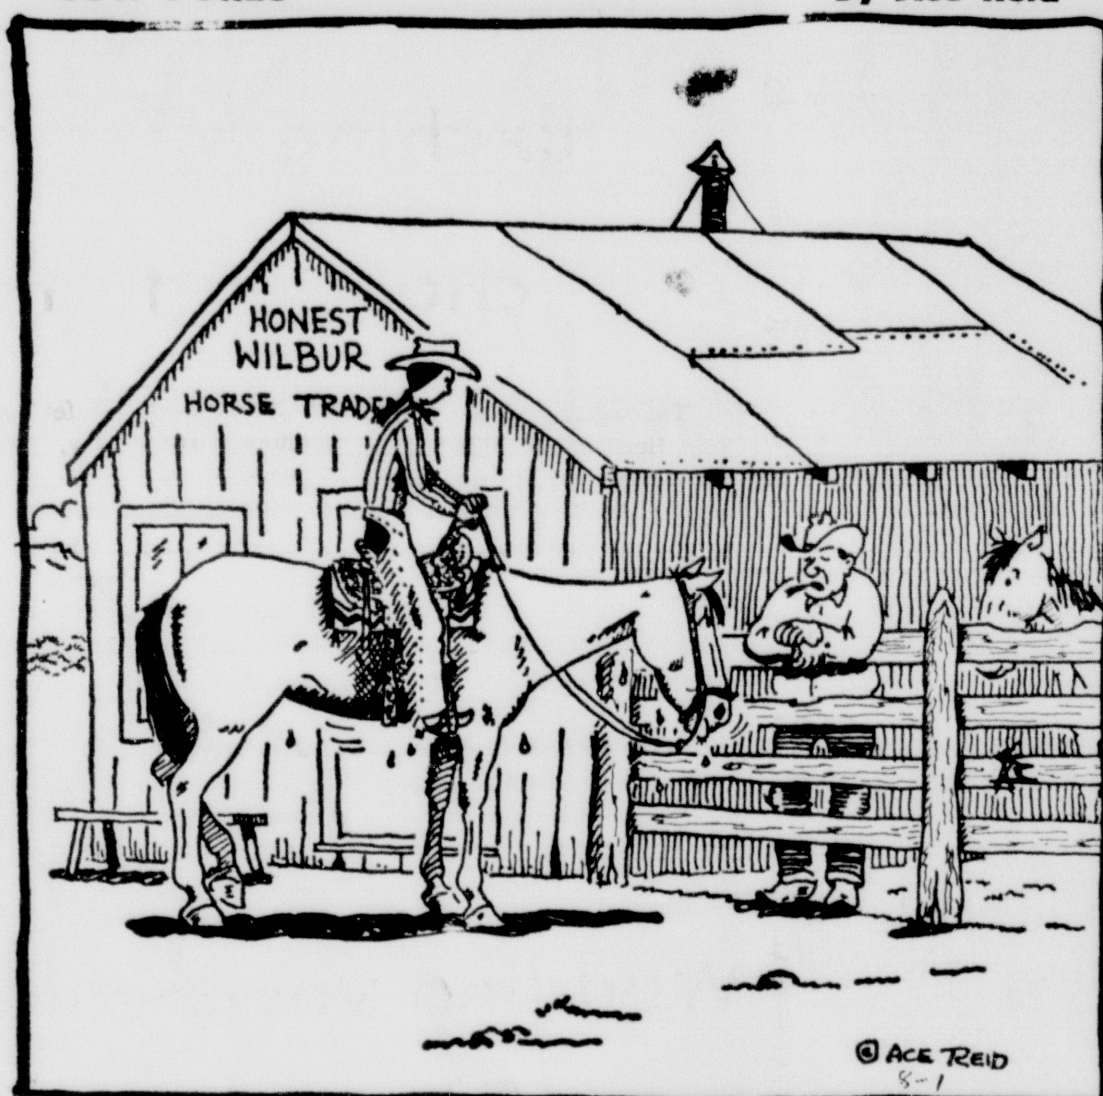

This bank of lights, flanked by Street Superintendent Loyd Hermes, right, and Don Leinweber, provides the intense heat to bake on the signs. Don is in charge of the operation which has provided 750 street signs.

City crews are installing markers on numbered streets, beginning with 19th Street and alternating north and south.

This week

That's all she wrote

by Edna McDade

My neighbor, C. B. GASTON, has shared with me his treasured copy of the Golden Jubilee History of the Texas Press Association, which was organized in Houston May 19, 1880. A line from the History reads "... (it) will doubtless still be here when the trumpet of Gabriel announces that time shall be no more." (TPA is now in its 91st year).

Charlie's father, the late Frank Gaston, joined TPA two years after its organization. Born in 1857, he began his printing career at 12 and published the Granbury (Tx) News for many years. It was "Uncle Frank" as news men affectionately called him, who helped set type for the first daily edition (July 4, 1876) of the Fort Worth Democrat, when that city's population numbered 3,000. He whittled out wooden letters to supply any missing type and was one of the few men who could interpret "Flimsy" which was telegraph copy with only one word in five spelled out in full and intervening words abbreviated. He and one other printer set up the full report of the Custer massacre by Indians in the Black Hills in 1876.

Here are some items from the History which thought should be of special interest to this area:

A reminiscent story by Dr. J. B. Cranfill, who was also a newspaper man and joined TPA in 1882, reports this about the meeting in Houston that same year: "The editorial clan had gathered. Hal L. Gosling, editor of the CASTROVILLE QUILL, was president, and he was one of the kindest, courtliest gentlemen it has ever been my joy to know." (Mr. Gosling served two terms as TPA president, during which time he was appointed U.S. Marshal for the Western District of Texas, and was slain the following year by bandits he was escorting to the federal penitentiary).

Mention is also made of another Medina Countian, the late JOHN C. BIEDIGER, publisher of the LaCoste Ledger, who joined TPA in 1920, and whose sons continue in business there.

With the Apollo 15 deep space expedition heading the headlines this week, GETTER CROW called to tell me this:

The three Astronauts are scheduled to swing in to orbit around the Moon on Thursday, which will be Getter's 68th birthday. He considers that a happy omen and is proud of the coincidence.

Also, said Getter, "I was born in 1903, the same year that the Wright Brothers made their first flight, another coincidence. Only trouble is, aviation seems to have made more progress in the years since than I have!"

Add to "Smiles that make you happy" the little-girl "sonrisas" that brighten the face of BEATRIZ, 4-year old daughter of JOE and SUZI BARRIOS, who also have a 14-months old son, JOE, Jr.

With some help from her mother, Beatriz held up four fingers to tell me her age and she said that her Daddy "works at GARY".

Our MEDINA COUNTY MUSEUM is to have its formal (not TOO formal) opening on Sunday afternoon, August 15. (Details elsewhere this week and/or next).

In my absence, some well-meaning (I hope!) individual volunteered my services as chairman of the arrangements for this noteworthy event. Plans are in the making and we do hope to have representatives from our neighboring cities as special guests for the occasion.

BID AWARDED

Hondo Volunteer Firemen took the big plunge Thursday night by letting a bid on the truck and chassis of the much-needed new fire truck.

Economy Motors submitted the low bid of \$5,138.13. Now, once this comes in, the Department will have to get manufacturer to mount the tanks and other equipment.

Since this first step is this expensive, readers can see why Firemen are pushing tickets for the Dance and Carnival slated for Saturday night, August 7.

And maybe it will make readers realize that fighting fires and protecting their homes and businesses costs money and they will dig deep and buy a bunch.

Mrs. Zane Wyatt Shullanberger

Pair United

Miss Connie Jean Stiegler became the bride of Zane Wyatt Shullanberger in a formal candlelight ceremony on July 24, 1971 at St. John the Evangelist Catholic Church in Hondo. Rev. George H. Stuebben, pastor of the church, performed the double ring ceremony.

Mrs. Evelyn Boon was organist and Henry Martin Finner was vocal soloist.

Parents of the couple are Mr. and Mrs. Harold L. Stiegler of Hondo and Mr. and Mrs. Rex E. Shullanberger of San Antonio.

Given in marriage by her father, the bride wore a formal gown of candlelight silk organza. The bodice featured a sheer yoke and a high neckline of Alencon lace encrusted with clusters of pearls. Long lace full sleeves were designed with a wide cuff. The A-line skirt fell from the empire waistline and scalloped Alencon lace accented the skirt and hemline. The detachable train fell gracefully into a flowing chapel train that was circled with the matching lace.

A Juliet headpiece designed with lace and seed pearls held her full silk veil of illusion. She carried a nosegay bouquet of pink and white rosebuds and pom poms accented with gypsophila.

Miss Nancy Brown, Houston, served as the bride's maid of honor. Bridesmaids were Mrs. Ralph Jones, Jr. of

Hondo; Miss Shari Raymond, Tyler; Mrs. Boyce Schwoppe, Boerne; Miss Jo Beth Shullanberger, sister of the groom of San Antonio, and Mrs. J. H. Stiegler, the bride's sister-in-law of Manhattan, Kan. Flower girl was Miss Mary Elaine Laughinghouse, cousin of the bride, Hondo.

All were attired in floor-length gowns of pink Sorronto with long organza full sleeves designed with a wide cuff. The bride attendants carried pink pom mum nosegays and the flower girl carried a basket of the same flowers.

Bob Peek, San Antonio, served as the groom's best man. Groomsmen were Bill Black, San Antonio; Mike Coffey, Longview; Jim Dougherty, Kingsville; Wayne Gilden, Arkansas Pass; and J. H. Exciting Miss Hondo pageant changed to Friday, Aug. 20

The exciting search for Miss Hondo 1971 will have two new features in time and place going for it when Hondo Lions Club members state the annual event.

An August 20 date gives the pageant an earlier appearance on the scene than previous presentations, avoiding conflict with school activities.

And the Lions can boast that it will be the first activity of any kind scheduled for

the air-conditioned cafeteria-auditorium at the shiny, new McDowell Junior High School.

Bill Green has been named pageant chairman by Lions President Ralph Hauger and he has announced Mrs. Martha Iris Goodman, wife of producer Jimmie Goodman of Beeville, will again direct the entire program.

"We already have 20 contestants entered in the 1971 pageant," Green said. "And we are looking for others. Any

girl 15 or older may enter by contacting me at 426-2612."

Mrs. Goodman also announced plans again include the popular Little Miss and Little Mister contest. Any first grader to be in first grade this year is eligible to enter.

Organist Les Guthrie of San Antonio has agreed to play for the presentation; and the reigning Miss Hondo, Diane Schulte, will be on hand to crown her successor.

Girls who have indicated

they will vie for the title include:

Diana Ortiz, Kevin Tilley, Donna Wiemers, Myra McCartney, Lee Ann McWilliams, Linda Bendele, Janet Graff, Delia Garza, Diane Lively, Judy Coyle, Marcey Mueller, Kathy Ulbrich, Laddell Been, Janelle Been, Jane Lopez, Sally Garza, Dena Williams, Melissa Muennink, Janie Torres and Stella Ybarra.

Wedding vows said

Miss Arlene Frances Bendele and Mr. Milton Salzman, Jr. were united in marriage July 10, 1971 with Rev. Emmet Carolan officiating at the double-ring ceremony at St. John's Catholic Church, Hondo.

Parents of the bride are Mr. and Mrs. Irvin J. Bendele of Hondo. Parents of the groom are Mr. and Mrs. Milton Salzman, Sr. of LaCoste.

Given in marriage by her father, the bride wore a long-sleeved lace gown edged in silver. The dress featured a cascading long train. Her fingertip veil was held by a seeded pearl wreath. The bride's bouquet was of seeded pearls, blue wedding bells and feathered carnations centered with two orchids.

Miss Marcine Bendele, Hondo, was maid of honor. Bridesmaids included Donna and Maggie Salzman, Alice Halty and Leona Manire, LaCoste; and Diane Schneider of Castroville. Miss Schweers, Dallas, was flower girl.

The bridesmaids and flower girl wore floor-length blue brocaded dresses trimmed with white sequins. They carried long stemmed blue carnations with white streamers.

Carl Keller, LaCoste, was best man. Gerald Bendele and Glenn Bohlen, of Hondo; Ricky Keller and Morris Salzman, LaCoste, and Punky Tripp, Castroville, were groomsmen. Tommy Suehs and Jerry Burrell, Castroville, and Dennis Bendele, San Antonio, were ushers. The ring bearer was Scottie Keller, LaCoste.

The reception was held at the National Guard Armory in Hondo.

Miss Barbara Attaway presided at the bride's book. Misses Marva and Lana Hutzler, Sharon Schneider and Theresa Bohl served cake, punch and sandwiches.

The couple is residing in LaCoste following a wedding trip that included Carlsbad Caverns, Petrified Forest, Grand Canyon and Las Vegas.

Opening, dismissal times changed for school year

Changing of school opening and dismissal times for the 1971-72 year was one of many actions on a crowded agenda of the Hondo Board of Trustees in a July 20 special session.

School will open at 8:30 a. m. and dismissal time will be 3:35 p. m. Supt. Kenneth Flory announced, "This varies from the previous 9 a. m. and 4 p. m. times," Flory said. "However, the new time will not change the pickup times on any bus run. These will be the same as last year."

extensively by Board members, and they decided to delay a final decision until after an inspection of the building. This was accomplished Monday night, and the decision will be forthcoming.

Unanimous approval was given by the Board on a commitment to use the Region 20 Education Service Center Media Services for 1971-72 at a cost of \$1.00 per A. D. A. (average daily attendance), or a total cost of \$1,556.58.

Flory was designated as the official representative in all ESC-20 matters. "This means we can make use of the Cen-

ter's film library as course teaching aids," he pointed out. "A new Center system will deliver new films and pick up used ones on a scheduled basis."

Selection of the official bank depository for school years 1971-73 named the Hondo National Bank.

On athletic matters the Board approved a motion to permit radio station KRME to broadcast Hondo High sporting events on a tape-delayed basis for the 1971-72 school years. District game rebroadcast would need the approval for the executive com-

mittee of District 28-AA.

Approval was also given for pre-sale of student tickets; and trustees directed the superintendent to prepare the Lacy playground for parking of automobiles for the coming school year during football games. This will include an additional gate on the north end of Barry Field. The grounds can be used only in dry weather.

Three new teachers were elected including, Larry D. Carroll, elementary PE; Sophia S. Martin, secondary English; and James C. Hayes, biology. The resignation of Richard Preston also was ac-

In other action Board members approved:

- Special education, plan B, appraisal material and consultant services for 1971-72.

- Payment to Arthur Veltman & Associates for appraisal of new construction and addition to old structures during 1970 in the amount of \$1,350.20. This firm was also recommended for the same services in 1971.

- Employment of two secretaries, one at Meyer and one at McDowell, on a 10-month basis.

* Inclusion of University Interscholastic League literature

ry and other UIL activities in the extra-curricular program of the Hondo Schools for 1971-72.

- Application for membership of Hondo High School

• Mike Grantham to serve as assistant to the High School principal during two school periods daily. No extra pay will be provided for this extra duty.

- Set the regular meeting of the Board of Trustees on the second Tuesday of each month at 7:30 p. m. in the superintendent's office unless some other place has been designated by the president.

Devine All Stars win 6-1

The Devine Senior League All-Stars took the third and deciding game in their best two-out-of-three series with the Hondo-D'Hanis-Bandera Stars Friday night and advanced to the Regional playoffs in San Antonio.

The 6-1 win gave Devine the series after the local Stars had tied it a one game each with a 6-1 win in Hondo last Wednesday. Devine had previously won the opening game at Devine 6-4.

In the final game of the series Devine scored four runs of three hits two errors and a walk in the first inning off starting pitcher Fedancio Garcia, and then coasted to their win. They added two more runs off relief pitcher Douglas Helvey in the fourth inning.

Hondo got their only run when winning pitcher Wayne Gan walked in a run in the third inning. Robert Rothe and Simon Arcos, Jr. led the locals with two hits each.

Hondo had tied the series on Wednesday with a 6-1 win on the local diamond behind the two-hit pitching of Robert Rothe. Rothe was kept in constant trouble, however, because of six errors committed by his teammates. He struck out five and walked four. The game was close through five innings when Hondo scored three runs in the sixth to ice the game. David Knowles got two of his teams four hits for Hondo.

Robert Rothe not only picked up the only Hondo win in the series but led the team at the plate with four hits. Simon Arcos, Jr. and Gene McAnelly each had three hits in the series.

Here in Hondo

Guests in the Ben Wiemers home last week were Mr. and Mrs. Harry E. Riggs, Jeanne and Mark of Waco. Jeanne had spent several weeks with her grandparents. While here, Mr. and Mrs. Riggs made a trip to Mexico.

They were all supper guests in the home of Mr. and Mrs. Lee Holder in Pleasanton last Sunday and guests of Mr. and Mrs. Robert Wiemers Thursday evening.

Mrs. Annie Cain of New Braunfels and Mrs. Ida Stiegler of SA attended the barbecue supper at New Fountain Methodist Church on Saturday evening.

McSARP, Inc. meets first season defeat

McSARP, Inc. of D'Hanis had their undefeated record blemished as they were handed their first season defeat by a 6-4 score in a Sunday afternoon game against the also-unbeaten Castroville Giants.

The two undefeated teams met in the hotly-contested game before a large and enthusiastic crowd and the Giants, behind timely breaks and hitting, ended the day on top. McSARP jumped to a 2-0 lead in the first inning, but the Giants tied the score in the second and added another run in the fourth.

McSARP rallied to tie the score again at 3-3 in the seventh, but in the bottom half of the same inning Castroville took the lead for good with two runs, plus the insurance run in the eighth. McSARP tallied once more in the ninth, but to no avail.

Although McSARP rapped 11 hits to the Giants' six, a series of costly errors and close calls kept victory at home-plate's length from the D'Hanis team.

Leading hitters for the Giants were Stecker, Biediger, and Bill Bippert, with two hits and Burrell and Langleder, each with one hit. Runs scored included two by Burrell and one each by Biediger, Bippert, Stecker and Hans.

For McSARP, Greg Rothe, Vic Garcia, Chris Finger and Johnny Zinsmeyer each collected two hits and were joined by Tom Attaway, Roy Torres, and Ray Bendele with one hit apiece. Runs for McSARP included two by Ray Bendele, and one each by Greg Rothe and Johnny Zinsmeyer.

Pitcher Ray Bendele, in his first start of the season, struck out one and allowed all six Castroville hits and five runs before being relieved in the eighth by Salome Ortega.

Ortega came on to strike out two men, but yielded the final Castroville run, Bendele was credited with the defeat.

Winning pitcher in the game was Hans of Castroville, who struck out five, allowing ten McSARP hits and three runs.
